1. How much percentage of work has been completed so far? What is your demonstration plan for 25th May?
40% of our plan has been achieved,
We plan to demonstrate Stage-I of our project in May 25
2. According to your Plan of Action, what work was planned to be completed till 18th May?
Code up the Arduino & decide upon communication between two Arduino's
We had planned to test sensors+ XBee's with the original code to be used.
We also planned to finish the mechanical part.
3. What work has been actually completed?
Mechanical part is pending as the necessary material were unavailable.
4. What purchases were made till 18th May?
XBee with adapters-3700
5. What problems did you face with respect to project work in this week? Did you find a solution to them or are they still pending? What was the solution to these problems?
We faced a bit of problem in Serial communication, but our mentor helped
6. Contribution made by each team member in this week?
All contributed more or less equally cannot specify.
A-
B-
C-
D-
*E-
7. What was discussed in the meetings with your mentor this week?

Serial Communication
8. What is the work-plan for the next week?

Complete Stage-I of our project

9. Project Pictures (Compulsory)- Upload these pictures on the facebook group (ITSP 2012) also.

Since only circuits have been made, but still we'll upload its photo.
